District multi-year contracts Invitations for Bid (IFB) are renewed annually and are designated as "Contract Renewals" that were originally awarded by the Governing Board. These contracts require approval by the Governing Board in order to extend for another contract term. All vendors have provided satisfactory service during the term of their contract. Two of the three vendors are keeping their price the same. One vendor stated they are giving the District a five-percent discount across the board. This recommendation is in compliance with the School District Procurement Rules. It is in the District's best interest to approve the recommended contract renewals.

In order to ensure continuity in payment of ongoing expenses, the Governing Board is asked to authorize the administration to proceed with contracts with these vendors. From time to time it may be necessary to come to the Governing Board with additional vendors that need approval.
