### Public Content

District multi-year contracts (RFPs & IFBs) are renewed annually and are designated as "Contract Renewals" that were originally awarded by the Governing Board. These contracts require approval by the Governing Board in order to extend for another contract term. All vendors have provided satisfactory service during the term of their contract. Most vendors kept their pricing the same as was offered in the previous year. This recommendation is in compliance with the School District Procurement Rules. It is in the District's best interest to approve the recommended contract renewals.

In order to ensure continuity in payment of ongoing expenses, the Governing Board is asked to authorize administration to proceed with contracts with these vendors. From time to time it may be necessary to come to the Governing Board with additional vendors that need approval. Expenditure with some of these vendors will most likely exceed \$100,000.
